The deals include a wide variety of products and services, ranging from F&B, groceries and shopping, to enrichment, transport, health and fitness, to cater to NSmen's varied lifestyle needs. The deals are supported by various local and international brands such as Juix Up, 4Fingers, Starhub, Morph Audio, ZIG and many more.

At SAFRA clubs, SAF national servicemen and SAFRA members can also enjoy 50 percent discounts or special 1-for-1 deals at a variety of facilities such as Kidz Amaze indoor playgrounds, tennis courts, squash courts, and SAFRA Mount Faber's workroom, subjected to prevailing safe management measures.

There are also additional exclusive promotions extended to SAFRA members by various brands such as Burger King, FairPrice Online, M1 and Popsical. They can also enjoy a free \$5 GrabFood promo code as well as weekly discounted merchant vouchers on SAFRA Treats and Deals from Four Leaves, Polar Puffs & Cakes, Bengawan Solo, Sheng Siong and Old Chang Kee, which they can purchase at only \$5.60 (U.P. \$10) for a limited period of time.

Senior Minister of State for Defence and President of SAFRA Mr Zaqy Mohamad, said, "Our national servicemen have shown unwavering dedication in safeguarding our nation's defence, despite the challenges posed by this pandemic at home and at work. I am heartened that despite business headwinds, many businesses continue to show their appreciation and strong support to national servicemen for their steadfast contributions. This is a strong message to our national servicemen that their unwavering dedication in safeguarding our nation's defence and security remains greatly appreciated by fellow Singaporeans."

Most of the deals will commence on SAF Day on 1 July with many spanning until 31 August 2021. SAF national servicemen and SAFRA members will have to present their SAF11B or SAFRA membership card to enjoy these benefits. Please visit www.safra.sg/safdaydeals for more details. Appreciating NSmen Video Competition

This year, a total of 131 students from 14 secondary schools and tertiary institutions produced appreciation videos to express their heartfelt thanks to national servicemen for their vital role in safeguarding Singapore's peace and security. A total of 50 video entries were submitted by these students for the second edition of the Appreciating NSmen Video Competition organised by SAFRA from March to June 2021.

This marked a significant increase in participation compared to the inaugural edition of the competition held in 2019, where a total of 50 students from 12 tertiary institutions submitted 28 video entries.

The competition was extended to secondary school students for the first time this year. Three new award categories were also introduced – Best Animation, Best Live Action and Best Original Song, to provide students with more opportunities to exercise their creativity in showing their appreciation to national servicemen.

For the Audience Choice Award, a total of 8,645 votes were cast by the public for their favourite video; a six-fold increase compared to the inaugural edition in 2019 where 1,430 votes were received.

Mr Zaqy Mohamad said, "We hope that this competition can provide an avenue for young Singaporeans to creatively express their appreciation for national servicemen through short videos and encourage them to have deeper conversations with their family members and loved ones who have gone through National Service, to talk about their experiences and what it means to them. I am happy to see a growing interest among students for the competition, with more than double the number of students participating this year, as well as the strong response from the public in voting for the Audience Choice Award."

The results of the competition were announced this morning as follows during a virtual award ceremony:

Singapore Polytechnic student Chong Heng Bin, who won both the Gold Award and Best Animation Award for his video titled, ‘Singapore Defenders’ commented, “NSmen are like heroes who work tirelessly behind the scenes to protect Singapore, expecting nothing in return. They safeguard our country against potential threats so that we can live in peace, and their selfless service to the nation truly deserves our admiration and gratitude. Through this competition, I have also learnt more about the importance of National Service, which was something I did not really put much thought into previously.”

Nanyang Technological University student Samfrey Tan Jun Wen, who teamed up with Singapore Management University student Leonard Tan Yi Long to clinch both the Silver Award and Best Live Action Award for their video titled, ‘My Dad’, commented, “As Leonard and I were crafting our story, we realised quite early on that beyond a sense of national duty, there is a deeper motivation that compels our NSmen to defend Singapore – which is their steadfast love for their families and loved ones. That was the big theme that our video aimed to capture and showcase.”

CHIJ Saint Joseph’s Convent student Ethel Yeaw Wei Ling, whose team clinched the Bronze Award for their video titled, ‘To Our NSmen’, commented, “Our video was inspired by the NSmen in our lives who shared their invaluable National Service experiences with us. We are thankful for the sacrifices they made and their readiness to rise to every occasion. Their resilience also inspires us to be more appreciative that we are able to live in a safe country like Singapore. We hope that our animation video will encourage NSmen nationwide to continue to persevere and serve our country with pride.”

ITE College East student Nurhafidzah Binte Mohamed Hafidz, whose team won both the Best Original Song Award and Audience Choice Award with a total of over 3,100 public votes received for their video performance titled, ‘To The NSmen, We Salute’, commented, “There hasn’t been many songs written to express gratitude to NSmen, and we thought this was something that we could do with each of our team members’ skillsets. While composing the song, we spoke to family members and friends about their experiences with National Service and we found that it does make people more independent and inculcate a deeper sense of responsibility and belonging to Singapore. We are really glad that many people liked our song as we wanted to express our gratitude to NSmen for all the sacrifices they have made.”

The winning videos will be circulated on social media in the lead-up to SAF Day and National Day this year, and Singaporeans are encouraged to show their support and heartfelt appreciation to NSmen by ‘liking’ (giving them a ‘thumbs up’), sharing, and posting their personalised thank-you messages to NSmen when reposting these appreciation videos. The winning videos will also be screened at all SAFRA clubs and can be viewed at www.safra.sg/appreciationvideo

The winning videos can be downloaded at this link: bit.ly/appreciationvideo2021

The slew of SAF Day Deals and the Appreciating NSmen Video Competition are part of SAFRA’s annual ‘We Thank NSmen’ initiatives in support of the Advisory Council on Community Relations in Defence (ACCORD) efforts to provide opportunities for the community to show their appreciation to national servicemen.
