STRONG OUTPOURING OF COMMUNITY SUPPORT FOR INITIATIVES TO THANK NSMEN

As Singapore marks 55 years of National Service (NS55) this year, an expanded range of We Thank NSmen initiatives have been introduced by SAFRA to provide more opportunities for Singaporeans to show their appreciation to national servicemen, and there has been a strong outpouring of community support.

This was announced by Senior Minister of State for Defence and President of SAFRA Mr Zaqy Mohamad this afternoon, as he spoke about the initiatives and how appreciating national servicemen has become an integral part of our community spirit, with people from all walks of life readily coming forward to thank and recognise the contributions of national servicemen. He was at SAFRA Toa Payoh to launch the series of We Thank NSmen initiatives.

NS55 Deals

This year, with the support of more than 140 partner merchants, national servicemen will be able to enjoy over 200 NS55 deals from 1 July 2022. These deals span across a wide range of F&B and lifestyle products and services, and are offered by SAFRA and partner merchants as a show of appreciation to national servicemen for their contributions to Singapore's defence and security.

From July onwards, national servicemen will be able to use their $100 NS55 credits from the NS55 Recognition Package to enjoy these deals. Many merchants have also offered additional discounts and privileges to complement the use of the credits. National servicemen can visit www.safra.sg/ns55deals for more details on the NS55 deals.

Appreciating NSmen Video Competition

A record total of 255 students from 18 secondary schools and tertiary institutions produced and submitted appreciation videos to express their gratitude to national servicemen as part of the Appreciating NSmen Video Competition, which is in its third edition this year.

Mr Zaqy Mohamad presented awards to the winners at SAFRA Toa Payoh this afternoon. Among the nine videos that received awards, both the Gold Award and Live Action Award were clinched by a team of students from Temasek Polytechnic for their video titled 'Duty', while a team of students from Evergreen Secondary School bagged three awards – including the newly introduced Young Video Maker Award, Audience Choice Award and Merit Award, for their video titled 'One Man, Many Hats'.

In the lead-up to SAF Day and National Day, the winning videos will be screened in public spaces such as SAFRA clubs and HDB estates, and circulated on social media for the public to tag their family members and friends who are national servicemen and post their own personalised thank you messages or salute photos within the comments. The winning videos can also be viewed at www.safra.sg/appreciationvideo

Appreciating NSmen Art Jam

Jointly initiated by SAFRA and Association of Early Childhood & Training Services (ASSETS), the Appreciating NSmen Art Jam which is in its third edition this year, aims to promote awareness and appreciation among preschool children of the role that our national servicemen play in defending Singapore and our way of life.

Over 35,000 children from more than 300 preschool centres island-wide will be participating in the initiative over the next three weeks as part of their curriculum from 27 June to 15 July 2022. Children from participating preschools are encouraged to learn more about their fathers' NS experience and participate in creating appreciation gifts for their fathers during the art jam sessions. Mr Zaqy Mohamad joined NurtureStars Preschool children as they participated in the first art jam session conducted at Canvas Ark at SAFRA Toa Payoh this afternoon.

We Salute Our NSmen

This year, members of the public are also encouraged to salute national servicemen as a show of heartfelt appreciation and respect by posting photos and videos of themselves saluting on social media, along with personalised appreciation message and the hashtags #NS55salute and #safrasg. The We Salute Our NSmen initiative was first introduced in 2017 during NS50, generating over 250,000 salutes from the community.

The We Thank NSmen initiatives are organised by SAFRA to help promote the We Support NS campaign, one of the initiatives by the Advisory Council on Community Relations in Defence (ACCORD) to strengthen support for NS and provide opportunities for the community to show their appreciation to national servicemen.

FACT SHEET ON APPRECIATING NSMEN ART JAM 2022

The Appreciating NSmen Art Jam is a joint initiative between SAFRA and the Association of Early Childhood and Training Services (ASSETS) to promote a greater appreciation among preschool children for the important role that NSmen play in national defence and security. As part of the initiative, preschools are encouraged to incorporate a special segment into their curriculum to engage preschool children in NS-inspired arts and crafts activities.

Participating Preschools

Art Jam sessions will be conducted from 27 June to 15 July 2022 and some of the key participating preschools include:

- Cherie Hearts @ Charlton
- ELFA
- EQ-Learners Educare
- Kinderland
- Little Treasures Childcare
- My First Skool
- NurtureStars Preschool
- PCF Sparkletots
- Skool4Kidz
- Smartz Playhouse
- TwinkleKidz
- United World Preschool
- YMCA Child Development Centre

Making Appreciation Gifts

As part of the initiative, preschool children will have the opportunity to make specially designed figurines, available in five different versions corresponding to the five Services (Singapore Army, Republic of Singapore Navy, Republic of Singapore Air Force, Singapore Police Force and Singapore Civil Defence Force).

Each template depicts an NSman, a male and a female figurine that can be mixed and matched to represent the NSman father and preschooler, or the whole family by using more than one template.

Participating preschool children will be able to learn more about NS where they will be encouraged to find out more about their father's NS experience prior to the sessions. During the art jam session, they will be able to pick a template to colour, cut, fold and glue the arms onto the figurines to make a salute posture. They will then pen their personalised appreciation message at the back of the NSman figurine and present it to their fathers as an appreciation gift.
