Tournament Format:

Round Robin followed by Knockout

- Scoring system – Game will be to 7 points or 20 minutes
- Each team may take one (1) time-out per game. A time-out lasts forty-five (45) seconds.
- Half-time occurs after the first team reaches half-time target of four (4) goals or after ten (10) minutes of game time.
- At half-time cap play continues until the completion of the current point. If at the completion of the current point neither team has reached four (4) goals, one (1) goal is added to the highest score to determine a half-time cap target.
- The game continues until a team reaches the half-time cap target, and then Mirror Half occurs.
- No half-time break in the Mirror Half.
- Teams will be re-seeded after the pool stage (Win/Lose > Goal Difference > Goal Scored>Disc Toss)
- Time cap: If time is up before or after a score, the game ends if a team leads by one point; if tied, play one final point. If time is up after a score but before the pull, the next point must still be played.
- The game clock does not stop between points, time-outs, or half-time, but will stop for Spirit Stoppages and for injury or technical stoppages lasting more than two (2) minutes. It will restart once play resumes.
- Games with a significant number of disputed calls should be reported to the Tournament Director (TD) by a captain as soon as possible. The TD will determine if further action is required. If repeated dangerous plays occur, or if there is a single egregious dangerous play, the team captains and spirit captains will meet to address the matter.

Gender Ratio Rule

The gender ratio on the field must be strictly 3 males and 3 females at all times. Any alternate ratio must be communicated and agreed upon by both captains before the start of the game.

- (A7.4) If a point has commenced and a team does not have exactly (5) people playing the point, or does not have the correct gender ratio, then the opposition may call a violation and stop play, or the infringing team may use a time-out to address the issue (as per Rule 20.4).
- The infringing team must choose which of their player(s) will be removed/added. If players are being added, the opposition may make the same number of substitutions to their team.
- If a violation is called, the opposition must choose either to restart play as if a time out had been called (as per Rule 20.3), or to restart the point.
- If a violation of A7.4 is called after a goal has been scored and prior to the ensuing pull, the opposition may choose to nullify the goal and restart the point.

Walkover

- A team shall concede a walkover if they fail to register or put a minimum of 5 players on the line in the first 1 min of each game.
- A 7-0 result will be awarded to the other team should a walkover happen.

Wet Weather

- In the event of inclement weather, the Organiser will decide whether to proceed or delay the tournament.
- If wet weather occurs after the round robin stage is completed, the championship will be decided based on the round robin results.
- If it occurs during the reseeding stage (Quarter-finals/Semi-finals), all completed games in that stage will count towards overall standings, along with group stage results.
- If it occurs during the round robin stage, play will resume if possible. If time does not permit, standings will be based on completed round robin results.
- If it occurs during the final, the team leading at the point of cancellation will be declared the winner.

Tournament Jurisdiction

- The Organiser and Tournament Director reserve the right to interpret or amend the tournament rules and regulations at any time.
- While reasonable precautions will be taken, the Organiser, support crew, and staff are not responsible or liable for any death, disability, personal injury, loss of property, or any other loss arising at any time during the tournament.
