

1. Will I be able to continue to book lanes?

Yes, the lanes are limited and based on first come first serve.

2. How can I book lanes in more than 7 days as non-SAFRA members due to 7 days only advance bookings due to limited lanes?

Priority will still be given to SAFRA members, regardless of the reduction of lanes.

3. How many lanes will be available during renovation?

1st Phase – Range A (11 lanes), Main Range (13 lanes)

2nd Phase – Range B (10 lanes)

4. Will the range be closed during the renovation period?

No, range will be partially closed in 2 different phases. Limited lanes will be available as stated.

1st Phase – Main Range (13 lanes), Range A (11 lanes)

2nd Phase – Range B (10 lanes)

5. Which part of the facility will be affected during different phases?

1st Phase – Mainly Range B, Range office and counter, Pro shop, partial area near toilets and Main entrance

2nd Phase – Main Range, Range A and lockers

6. How long will the renovation take?

The renovation period will be 12 – 15 months subjected to changes.

7. How long will each phase take?

6 – 7 months for each phase depending on the renovation progress.

8. Will there be any perks for members due to the renovation such as extension or refund for membership?

As the range is not closed entirely during the upgrade, there are no arranged perks for the time being.

9. Will the range be noisy and dusty and what will SAFRA do to minimize?

Noise and dust are expected, however, SAFRA will work with the construction company to explore ways to reduce noise and dust as much as possible.

10. What will happen to my personal weapons that are currently stored at the SYCC Armoury?

There will be no impact during the renovation. When 1st phase is completed, the weapons will be relocated to the new Armoury. Members with personal weapons are still required to pay weapon storage fees.

11. What will happen to my lockers?

During 1st phase, there is minimal disruption to lockers arrangement as the new lockers will be constructed, you will be notified to move your belongings will be shifted to the new lockers when they are completed. Members are still required to pay locker rental fees.

12. What is the arrangement for members with AL and XL lockers?

The new range will only have lockers of 2 sizing which is the Small size (46.5cm (H) x 37cm (W) x 54cm (D)) and Large size (100cm (H) x 37cm (W) x 54cm (D)).

13. Will there still be any competition during renovation?

1st Phase from Jan to Jul 2025 – Yes, there will be SG Cup, National University of Singapore Invitational Shoot 2026, Nanyang Technological University Invitational Shoot 2026 and potentially National School Games 2026.

2nd Phase from Aug 2026 to Mar 2027– due to the limitation of the area, there will be no competition held.

14. Will there be any changes in operating hours during renovation / after renovation?

Currently there is no plan to change the operating hours. However, if there is a change, SAFRA will announce to all our members.

15. Will there be an extension in operating hours due to lane limitations?

Currently there is no plan to change the operating hours. However, if there is a change, SAFRA will announce to all our members.

16. Will there be any safety course during renovation?

The Safety Course will continue till further notice.

17. Will there be any JSP classes during renovation?

Yes. However, there will be a change of schedule to accommodate the classes.

18. Where will the entrances be once the range starts being renovated?

SAFRA will work with the construction company to determine the most appropriate entry with clear directional signage.

19. Is it possible if I want to defer my membership?

As the range is not closed entirely during the upgrading, there is no arrangement for the time being. Please feel free to contact our staff for any enquiry.

20. Can I pause my membership during the renovation phrase?

As the range is not closed entirely during the upgrading, there is no arrangement for the time being.

21. During renovation works, lanes will be limited. Will there be a discount for us as members?

Unfortunately, there will be no discount as the booking fees are already kept at a highly subsidized rate for members.

22. Do I still need to pay for weapon storage since the renovation works are ongoing and there will be minimal time to train since booking of lanes will be affected?

Yes. Weapon storage fees and licence fees are required whenever your weapon is stored with us.

23. Can I still sign up as a member during the renovation period?

Yes.

24. Will there be any space available to wait for my child during JSP training during the range renovation?

Space will be very limited and we strongly encourage parents to wait at the club's common seating area.

25. Is there any alternative location available for bookings?

Unfortunately, we do not have any alternate location for sports shooting. Laser shooting venue will be relocated.

26. What was the renovation plan?

Our plan is to upgrade the range to international standards with increase of lanes to accommodate more members to shoot, train and practice. The expansion will include increasing the Armoury size, additional lockers and increase the number of lanes from 53 lanes to 66 lanes and all lanes will be installed with electronic target system and compliance with ISSF guidelines.

27. What happens if the renovation is not completed on time?

We will monitor the progress closely and ensure the renovation is able to complete in time. However, in the event that if there is any change in the timeline, we will update all our members.

28. Will there still be corporate packages available?

Due to limited number of lanes and renovation works, we would not be accepting corporate booking.

29. Will Pro-Shop still be around after renovation?

The service will still be available but there might not be a physical shop.

30. How can I get updates on the renovation progress?

We will share the updates via our social media, email notifications to members and at the range notice board. Please feel free to contact our staff for more information.

31. Will there be any disruption of phone network / Wi-Fi?

Yes, there will be relocation of the network devices due to the renovation therefore the network may be disrupted.
