Teacher will need to print the following:

(Note: Set printer to A4 paper size and 'Actual Size' scaling to ensure correct template sizing)

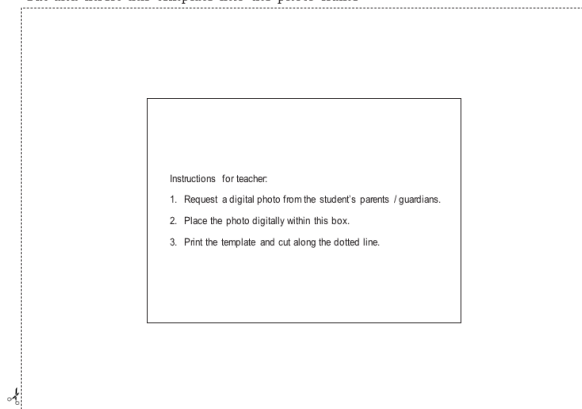

A. Photo Frame Template (6 versions)	B. Cut-Out Sheet	(C) Family Photograph – Printing Template
 <p><i>Example of Army version</i></p>		 <p><i>Sample</i></p>
<p><i>Republic of Singapore Navy</i></p>  <p><i>Singapore Police Force</i></p> 	<p><i>Republic of Singapore Air Force</i></p>  <p><i>Singapore Civil Defence Force</i></p> 	<p><i>Digital and Intelligence Service</i></p> 

Steps to create the Photo Frame Appreciation Card:

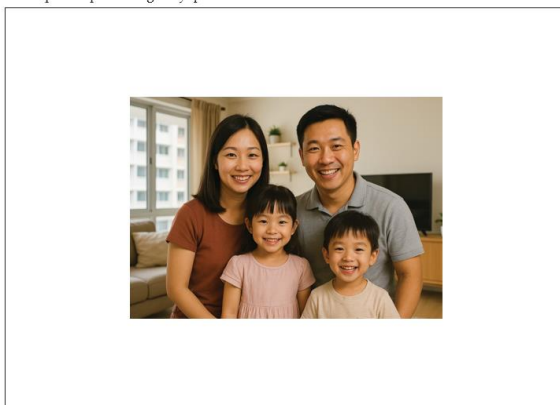

Preparing the family photographs for the craft activity:

1. Place the photograph digitally inside the empty box
2. Print the template for children to cut along the dotted lines.

Cut and insert this template into the photo frame

Example of photo digitally placed within the box

Teacher to assist and guide the children with the following steps:

1. Choose the (A) Photo Frame template based on your service of choice.
2. Cut along the dotted lines of the photo frame template.
3. Cut out the dotted box in the center to create a window for the photograph.
4. Fold the edges inward and apply glue as indicated to form the photo frame.
5. From the Cut-Out Sheet (B), select, cut, and colour your preferred decorative elements.
6. Paste the decorations onto the frame where marked: '*Paste decorative elements here*'.
7. Insert the printed family photograph into the photo frame.

8. Pen a personalised 'Thank you' message to your NSman father or male family members.
9. The Photo Frame Appreciation Card is now complete!
